FISH BULLETIN: Sardines Landed in Four Areas of California in Tons

In the Text and Excel files associated with this PDF

Issues in California Department of Fish & Game's **Fish Bulletin** presented amounts and values of marine resources caught/landed by California's commercial fisheries, plus summarizations of catches by the passenger carrying fishing industry (party boat). The Fish Bulletin's statistical issues are numbered as follows in chronological order, with #74 having an historic review dating back to 1916:

74, 15, 20, 30, 44, 49, 57, 58, 59, 63, 67, 74, 80, 86, 89, 95, 102, 105, 108, 111, 117, 121, 125, 129, 132, 135, 138, 144, 149, 153, 154, 159, 161, 163, 166, 168, 170, 173.

These printed statistics have been digitized and made available. Use these statistics within the context of the print publications, particularly since there can be explanatory text.

More recent data published in print in *Final commercial fish landing tables for ...*, published by Calif Dept of Fish & Game.
