Correction to: *Nature Communications* <https://doi.org/10.1038/s41467-020-14312-1>, published online 28 January 2020.

The original version of this Article contained an error in Fig. 1. The gel image in Fig. 1c was inadvertently taken from Supplementary Fig. 6 instead of Supplementary Fig. 1 that showed the original scan corresponding to Fig. 1c.

This has been corrected in both the PDF and HTML versions of the Article.
