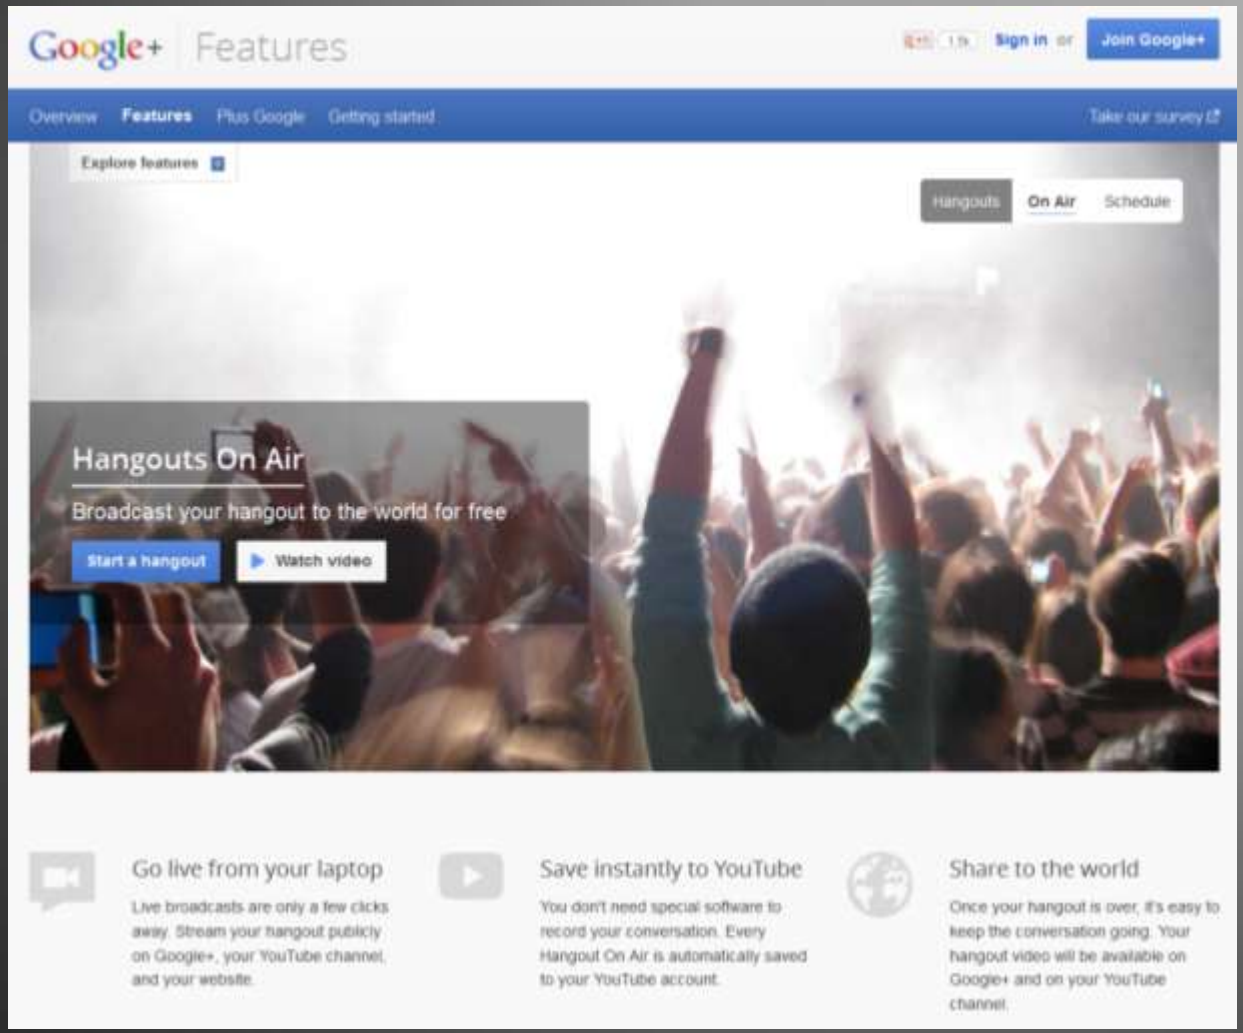
Hangouts On-Air

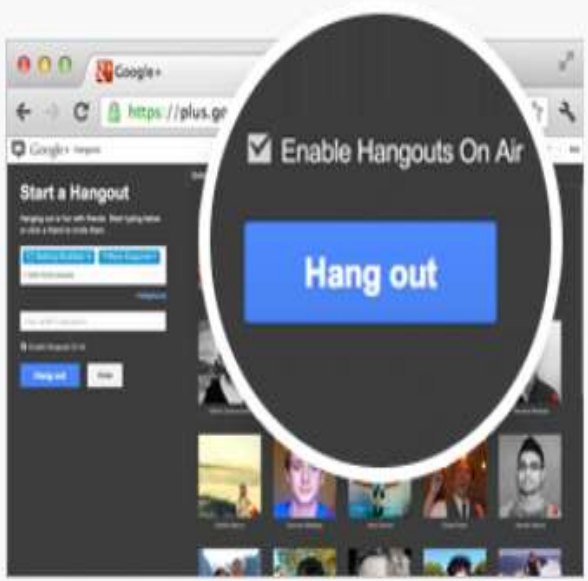


http://www.google.com/+/learnmore/hangouts/onair.html

Get started

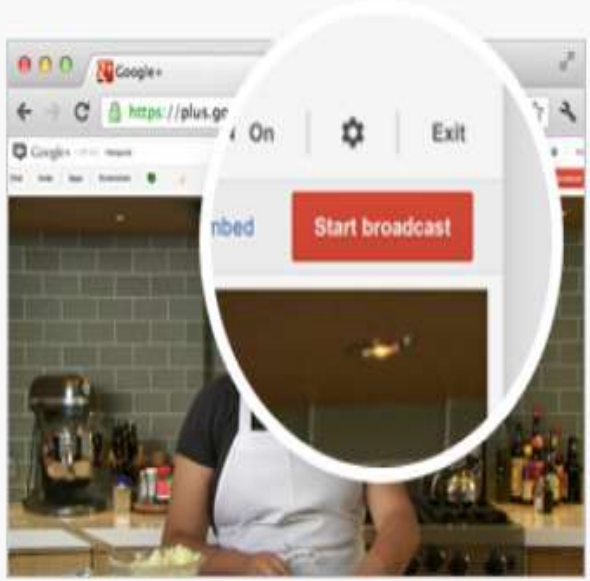
Start a hangout

Start a hangout and invite specific people or Google+ circles to join you. Then name your hangout.



Enable Hangouts On Air

Check "Enable Hangouts On Air". The first time you do this, you will need to agree to the Terms of Service and also link your YouTube account.



Start your broadcast

Click "Start broadcast" to go on air. After a short countdown, your hangout will start broadcasting on your Google+ profile, your YouTube channel, and on any website where you've embedded it.

Quick Steps | Tips and Tricks

What do I need?

- Google+ Account
- YouTube Account
- Webcam
- Speakers / audio
- Verification
  - By way of Google+ Hangouts
  - By way of YouTube

Hangout Toolbox

A Hangout Extension with several features.

This toolbox provides several apps/extensions to improve your Hangout experience.

It contains:

- Lower Third
- Volume Control
- Meme-Faces
- Soundboard
- Comment Tracker

Please visit us on Google+ or on our project page
Thanks to Gerwin Sturm for the Comment Tracker code.

Help

Broadcasting Publicly

Your Hangout On Air will now be broadcast publicly on Google+ and YouTube. Once your broadcast is over a recording of the broadcast will automatically replace the live player so that people who miss the live broadcast can still view it.
