# THE EIGHTEENTH CENTURY

## *Theory and Interpretation*

Edited by Robert M. Markley, John Samson,  
and Jeffrey R. Smitten

*The Eighteenth Century: Theory and Interpretation* offers a forum for research on all aspects of the cultural, social, and political life of Europe and America from 1660 to 1800. Publishing critical and scholarly articles on literature, history, fine arts, science, history of ideas, and popular culture, it seeks to foster integration among disciplines and constructive debate among methodologies. By publishing traditional, innovative, and theoretically self-conscious essays, *The Eighteenth Century* attempts to raise questions, not assume answers.

Forthcoming in *TEC*:

Frans De Bruyn *on the Sublime*

John Dwyer *on Scottish Ethics*

Ellen Pollak *on Defoe*

T. G. A. Nelson *on the Child Figure*

Special issues on Alexander Pope and the French Revolution

Reviews by Daniel Williams, A. Owen Aldridge, Stuart Peterfreund, Sally Shuttleworth, and Bruce Clarke.

*TEC* is issued in three numbers (winter, spring, and autumn) per volume.

# AMERICAN JEWISH HISTORY

---

An American Jewish Historical  
Society Quarterly Publication

---

The objects of the Society are the collection, preservation, exhibition, publication and popularization of material of every kind having reference to the settlement, history and life of Jews on the American continent, and the promotion and encouragement of research in, and the study of, Jewish history in general, and particularly in its relation to American Jewish history, and in connection with the causes and nature of Jewish emigration from various parts of the world in this continent.

Correspondence concerning contributions, books for review, and all editorial matters should be addressed to the Editor, American Jewish Historical Society, 2 Thornton Road, Waltham, Massachusetts 02154.

*American Jewish History* is published in September, December, March and June by the American Jewish Historical Society.

Annual Membership dues are \$35.00 per year, \$10.00 of which is for a subscription to *American Jewish History*. Application for membership and inquiries covering the various types of membership available should be directed to Bernard Wax, Director, American Jewish Historical Society.

Articles in *American Jewish History* are abstracted regularly in *Historical Abstracts and America: History and Life*, publications of the American Bibliographical Center of Santa Barbara, California, in *Current Contents*, published by the Institute for Scientific Information, Philadelphia, and in *United States Political Science Documents*, published by the University Center for International Studies, University of Pittsburgh.

COMING IN AUTUMN IN  
**VICTORIAN  
STUDIES**

# Journal of Social History

## 1988-1989

The Journal continues to define new areas of historical coverage and to clarify major interpretive issues in the field with groupings of articles on such subjects as:

Issues in women's history: work, protest and professionalization

New studies in working-class history:  
popular leisure; aging and the labor force

Social history and management history

Disease as a historical artifact — new research findings

New developments in Latin American social history

Improving the comparative perspective in social history

Plus many other articles and reviews, as the JSH maintains its role as a basic outlet in the field

Also: The JSH discount book service to individual subscribers — 25 percent off on titles from 15 American and British publishers

Annual subscription rates: \$43 institutions, \$22 individuals, \$16 students

Journal of Social History, Carnegie Mellon University,  
Pittsburgh, Pa. 15213

# ARE YOU STILL READING SOMEONE ELSE'S COPY OF *ISIS*?

IF SO, now is the time to enter your own subscription. *ISIS*, the official journal of the History of Science Society, is the leading journal in the field.

*ISIS* keeps over 4,000 subscribers in nearly fifty countries up to date on all developments in the history of science with articles, critiques, and documents and translations. Its notes and correspondence and news of the profession provide useful information to professionals, educators, scholars, and graduate students.

Lively essay reviews and over 200 book reviews a year cover every specialty in the history of science, technology, and medicine.

In addition to your four quarterly issues of *ISIS* you will also receive:

- Membership in the History of Science Society.
- The annual *Critical Bibliography*, listing over 3,000 publications in the history of science, technology and medicine from the preceding year.
- The triennial *Guide to the History of Science*, containing a directory of members and information on scholarly programs, societies, and over ninety journals in the field. The 1986 edition is now available.
- The quarterly *Newsletter*, providing current news of the profession, including employment opportunities and approaching meetings.
