Call for Papers
2016 *Academic Emergency Medicine* Consensus Conference
**Shared Decision Making in the Emergency Department:
Development of a Policy-Relevant Patient-Centered Research
Agenda**

The 2016 *Academic Emergency Medicine (AEM)* consensus conference, “**Shared Decision Making in the Emergency Department: Development of a Policy-Relevant Patient-Centered Research Agenda**,” will be held on May 10, 2016, immediately preceding the SAEM Annual Meeting in New Orleans, LA. Original research papers on this topic, if accepted, will be published together with the conference proceedings in the December 2016 issue of *AEM*.

The consensus conference will convene major thought leaders and necessary stakeholders on shared decision making in acute care. Specifically, the conference will include patients, patient representatives from national advocacy organizations, emergency physicians, mid-level providers, emergency nurses, and researchers with expertise in shared decision making and patient-centered outcomes research, comparative effectiveness research, and health information technology. There will be clinicians across various disciplines such as emergency medicine, health services research, psychology, and quality improvement. Finally, the conference will include national policy makers, payer representatives, and other stakeholders with the expressed goal of developing a multidisciplinary, consensus-based, high-priority research agenda to improve and optimize shared decision making in the emergency department.

Consensus Objectives:

1. Critically examine the state of science on shared decision making in emergency medicine, and identify opportunities, limitations, and gaps in knowledge and methodology;
2. Develop a consensus statement that prioritizes opportunities for research in shared decision making that will result in practice changes, and identifies effective methodological approaches;
3. Identify and build collaborative research networks to study the use of shared decision making and patient-centered outcomes research in emergency medicine that will be competitive for federal funding.

Accepted manuscripts will present original, high-quality research in shared decision making in the ED, such as clinical decision rules, shared decision making, knowledge translation, comparative effectiveness research, and multidisciplinary collaboration. They may include work in clinical, translational, health systems, policy, or basic science research. Papers will be considered for publication in the December 2016 issue of *AEM* if received by April 17, 2016. All submissions will undergo peer review and publication cannot be guaranteed.

For queries, please contact the conference chair, Corita R. Grudzen, MD, MSHS (corita.grudzen@nyumc.org), or the co-chairs [Christopher R. Carpenter, MD, MSc](mailto:carpenterc@wusm.wustl.edu) (carpenterc@wusm.wustl.edu) and Erik Hess, MD (Hess.Erik@mayo.edu). Information and updates will be regularly posted in *AEM* and the SAEM Newsletter, and on the journal and SAEM websites.

Emergency Medicine Fellowship Opportunities

UC Irvine Department of Emergency Medicine is seeking HS Clinical Instructors for fellowships starting July 1, 2016. UC Irvine Medical Center is rated among the nation's best hospitals by U.S. News & World report 14 years in a row and is a 412-bed tertiary and quaternary care hospital with a nationally recognized three-year EM residency program since 1989. The progressive 35-bed ED sees more than 50,000 patients/year and serves as a Level I adult and Level II Pediatric Trauma Center with more than 3,800 annual trauma runs.

The hospital is also a Comprehensive Stroke & Cerebrovascular Center, Comprehensive Cancer Center, Cardiovascular receiving center and regional Burn centers, with Observation and an After Hours clinic in urban Orange County. Completion of an ACGME accredited EM Residency is required. Salary is commensurate with qualifications and proportion of clinical effort. For more information visit: <http://www.emergencymed.uci.edu/fellowships.asp> (To apply: <https://recruit.ap.uci.edu>).

Disaster Medicine Fellowship

University of California Irvine, Department of Emergency Medicine is seeking applicants for the fellowship in Disaster Medical Sciences for July 1, 2016. UCI Medical Center is a Level I Trauma Center with 3,800 runs/year and a 50,000 ED census. Fellows serve as HS Clinical Instructors. The program combines the disciplines of emergency management/disaster medicine and public health with traditional emphasis on systems research including mass casualty management, scarce resource allocation, and triage.

Completion of American Council of Graduate Medical Education (ACGME) accredited Emergency Medicine Residency is required prior to start. One or two year positions are available. The two-year program requires a master's degree and tuition is paid for by the department. Salary commensurate with level of clinical work.

Submit CV, statement of interest and three letters of recommendation at:

<https://recruit.ap.uci.edu/apply/JPF03020>

Emergency Medicine Simulation Fellowship

University of California, Irvine, Department of Emergency Medicine (EM) is seeking a HS Clinical Instructor- Medical Simulation Fellow for July, 2016. University of California, Irvine Medical Center is a Level I Trauma center with 3,800 runs/year, 50,000 ED census with a nationally recognized three-year residency program since 1989. The UC Irvine Medical Education Simulation Center is a new \$40 million, 65,000-square-foot facility that provides telemedicine and simulation-based educational programs and CME courses for thousands of healthcare providers each year. The four-story medical education center includes a full-scale operating room, emergency room, trauma bay, obstetrics suite and critical care unit. The simulation fellow will have the opportunity to educate/train and form cooperative collaborative relationships with medical students, residents, nurses, allied health professionals, EMTs, paramedics, and physicians while developing and delivering innovative simulation curriculum. Our simulation-based content has been implemented in educational courses at the local, regional and international level.

The Medical Simulation Fellowship is a one year mentored fellowship that offers advanced training in simulation teaching, curriculum design, educational program implementation, study design, and research for a graduate of an accredited Emergency Medicine residency program. A two-year track is available for those applicants in pursuit of an advanced degree. Salary is commensurate with qualifications and proportion of clinical effort.

For more information, visit our website at:

DEPARTMENT OF EMERGENCY MEDICINE FACULTY OPPORTUNITIES

- Associate Residency Director
- Associate EMS Director
- Ultrasound Director
- Quality Director
- Clinical Faculty

Come explore our 947-bed Magnet facility on the campus of Case Western Reserve University (CWRU) in the cultural Circle district of Cleveland. The summer of 2015 marks the fourth anniversary of our new 44-bed state-of-the-art Center for Emergency Medicine (EM) and the graduation of our fourth resident class. We will be designated a level I Trauma center in fall 2015. We also launched our Global Emergency Medicine Fellowship. UH Case Medical Center, including Rainbow Babies and Children's Hospital, is the primary teaching affiliate of CWRU School of Medicine (SOM). We provide quality, compassionate, accessible care along with outstanding research and training. Our EM residency training program with 10 residents per year is part of a GME program hosting over 850 interns, residents and fellows. The UH EMS Training & Disaster Institute provides medical direction to over 120 EMS agencies in northeast Ohio.

We are currently seeking ABEM/ABOEM certified or prepared physicians for full-time faculty positions. You will be appointed at the appropriate rank at CWRU SOM. Salary and academic rank, commensurate with accomplishments and experience.

Qualified candidates should send a CV with letter of interest to Edmundo Mandac, MD, Chair, Department of Emergency Medicine at: edmundo.mandac@uhhospitals.org or call 216-844-1636.

**MEDICAL EDUCATION FELLOWSHIP
DEPARTMENT OF EMERGENCY MEDICINE
THOMAS JEFFERSON UNIVERSITY HOSPITAL
PHILADELPHIA, PA**

The Department of Emergency Medicine at Thomas Jefferson University Hospital is proud to announce its one-year **Medical Education Fellowship** for graduating emergency medicine residents. Our intensive Fellowship is geared for residents seeking advanced training in pedagogy and learning theory; instructional design; and design thinking. The goal of the Fellowship is to prepare the Fellow for a highly successful career as an educational leader in academic emergency medicine.

Informed by the principles of Experiential Learning Theory, Transformative Learning Theory, and Self-Directed Learning Theory, the Medical Education Fellowships offers the prospective Fellow(s) the skillset to adapt to an ever-changing learning environment and educational landscape. The Fellowship will provide formalized training in adult learning in clinical and academic medicine, and will use simulation, telehealth, and patient safety (PS) and clinical quality (CQ) tools as vehicles to inform educational initiatives in undergraduate and graduate curricula, as well as faculty development programming and continuing medical education. In addition, the Fellow will identify a specific area of academic interest in the realm of education, and will be given the resources and time to develop his/her productivity within this specified domain. The Education Fellow will work clinically as an attending physician in the Emergency Departments (ED) of Thomas Jefferson University Hospitals.

Interested applicants should be graduates of an ACGME-accredited Emergency Medicine residency program. An application will consist of a letter of interest, curriculum vitae (CV), and 2-3 letters of recommendation. Please direct any questions to Dr. Dimitrios Papanagnou or Christina Melton. The deadline for application is October 1st, 2015. For additional information on the fellowship program, please visit:

http://www.jefferson.edu/university/jmc/departments/emergency_medicine/education/fellowships/medical_education.html
