We would like to gratefully acknowledge the support and invaluable encouragement of the graduate students of the Department of Spanish and Portuguese, whose professionalism and comraderie proved indispensable for the completion of this project. It is our hope that this journal will continue to provide a cross-disciplinary forum for the discussion of issues critical to our profession.

The current issue has been funded in part by grants from the Department of Spanish and Portuguese and the Graduate Assembly of the University of California at Berkeley.

Annual subscriptions to LUCERO are \$7 for students, \$9 for individuals and \$14 for institutions plus \$3 per journal shipping and handling.
