Background

The *UCLA Journal of International Law and Foreign Affairs (JILFA)* is published semi-annually by the Regents of the University of California and the graduate students of UCLA. *JILFA* is among the first student-produced publications that bridges the historical divide between international law and international relations. Its subject matter, therefore, is intentionally broad, linking such disciplines as international law, politics, and economics.

Please direct manuscripts to *JILFA* at the email address listed above or through Scholastica or ExpressO.
