Correction: Patterns of Polymorphism and Demographic History in Natural Populations of *Arabidopsis lyrata*

Jeffrey Ross-Ibarra, Stephen I. Wright, John Paul Foxe, Akira Kawabe, Leah DeRose-Wilson, Gesseca Gos, Deborah Charlesworth, and Brandon S. Gaut

In table 1, reported values of Ne were incorrectly converted from theta by a factor of 2. Values of divergence time are not affected. Please see the corrected table 1 here:
