Correction: Carbon nanotube–vitriimer composite for facile and efficient photo-welding of epoxy

Yang Yang, Zhiqiang Pei, Xiqi Zhang, Lei Tao, Yen Wei* and Yan Ji*

Correction for 'Carbon nanotube–vitriimer composite for facile and efficient photo-welding of epoxy' by Yang Yang *et al.*, *Chem. Sci.*, 2014, 5, 3486–3492.

Throughout the original manuscript, incorrect values were given for the light intensity for the IR laser irradiation. All instances of “15.2 W cm⁻²” should be changed to “0.84 W cm⁻²”, and all instances of “1.52 W cm⁻²” should be changed to “0.25 W cm⁻²”.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
