ARTICLE I - REPRESENTATION

1. This Memorandum of Understanding (hereinafter "Agreement") is entered into by the Director of Human Resources for and on behalf of the City and County of San Francisco, its Boards, and Commissions and on behalf of the City's Departments including the Municipal Transit Authority (hereinafter "MTA") pursuant to the exercise of MTA's discretion under Charter Section A.8.104(l) (hereinafter collectively "City") and Sheetmetal Workers International, Local 104 (hereinafter "Union"). This Agreement shall be effective as of July 1, 2001 upon approval by the Mayor, adoption by the Board of Supervisors and ratification of the membership of the Union.

I.A. RECOGNITION

2. The City recognizes Sheet Metal Workers International Association Local 104, AFL-CIO (SWMIA 104) as the exclusive representative of all employees of the City and County of San Francisco assigned to Bargaining Unit I-V and I-W including:

and any and all other employees assigned to new or different classifications hereafter accreted to bargaining Units I-V or I-W pursuant to the procedures of the Employee Relations Ordinance.

3. The work covered by and subject to the terms and conditions of this Agreement shall be that work which upon execution of this Agreement is currently being assigned to employees in Bargaining Units 1-V and 1-W in the classifications heretofore enumerated and/or claimed by the Union.

I.B. INTENT

4. This Agreement shall to the extent its terms address a subject within the scope of bargaining and arbitration pursuant to Charter Section A8.409 et seq. supersede and prevail over any contrary ordinance, resolution, rule, charter provision and/or regulation of any agency of the City and County of San Francisco.

I.C. OBJECTIVE OF THE CITY

5. It is agreed that the delivery of municipal services in the most efficient, effective, and courteous manner is of paramount importance to the City and its employees. Such achievement is recognized to be a mutual obligation of the parties to this Agreement

within their respective roles and responsibilities consistent with duties and obligations set forth in the Charter.

6. The Union recognizes the City's right to establish and/or revise performance standards or norms notwithstanding the existence of prior performance levels, norms or standards. Such standards, developed by usual work measurement procedures, may be used to determine acceptable performance levels, prepare work schedules, and to measure the performance of each employee or group of employees.

I.D. MANAGEMENT RIGHTS

7. The Union agrees that the City has complete authority for the policies and administration of all City departments which it shall exercise under the provisions of law and in fulfilling its responsibilities under this agreement. Said authority shall include the establishment of work rules and regulations not inconsistent with the terms of this agreement. Any matter involving the management of governmental operations vested by law in the City and not covered by this agreement is in the province of the City.

I.E. NO WORK STOPPAGES

8. It is mutually understood and agreed that during the term of this Memorandum of Understanding that neither the Union nor any person covered hereunder shall engage in a strike, slowdown or work stoppage against the City and County of San Francisco, nor shall the Union or any person covered hereunder honor any picket line of any other group of City employees who are obliged under a contractual no strike provision or any provision of the City Charter to refrain from strikes, slowdowns, or work stoppages against the City and County of San Francisco.

I.F. GRIEVANCE PROCEDURE

9. A grievance shall be defined as any dispute arising between the Union and the City involving the interpretation, application, and/or compliance with the terms and conditions contained in this agreement and shall be resolved in accordance with the procedures set out herein.
10. Disciplinary suspension and/or discharge grievances for employees who have served the equivalent of the probationary period (except as-needed employees) may be filed only by the Union, and shall be filed in writing with the management official designated or the Director of ERD within fourteen (14) working days of formal written notice to the Union of the proposed discipline or discharge.

11. Contract interpretation grievances not involving disciplinary suspension/discharge, may be filed at either Step 4 or Step 5 as appropriate within thirty (30) working days of the date of the events giving rise to the grievance, or within thirty (30) working days of the date the City/Union should reasonably have knowledge of the events giving rise to the grievance.

Discipline/discharge

1. Probationary Employees:
 12. Probationary Employees may be discharged at any time during the employee's probationary period without recourse to the grievance procedure, provided such discharge does not involve discrimination against such individual on account of race, color, creed, sex, religion, national origin, sexual preference, qualifying accomodatable physical or mental handicap or union activities.
 13. No discipline may be imposed which would have the effect of extending any probationary period without the consent of the Union.
2. Non-Probationary employees:
 14. Any employee covered by this agreement who has served the equivalent of the probationary period (except as-needed employees) may be disciplined for just cause. Letters of reprimand and adverse employee evaluations shall not be subject to the grievance procedure unless referenced in a subsequent suspension, discharge or demotion which occurs within two years.
3. Union Representation:
 15. No interview, investigatory or otherwise, which may reasonably lead to discipline may be conducted with any employee who has served the equivalent of the probationary period (except as-needed employees) who requests the presence of steward and/or other Union representative at such interview. Management shall have an affirmative duty to advise an employee prior to conducting such an interview of his/her right to Union representation at such interview.
 16. With respect to any employee who has served the equivalent of the probationary period (except as-needed employees) covered by this agreement, no discipline involving suspension or discharge may be implemented unless the union receives notice in writing of such proposed action at least seven (7) work days in advance of the date such discipline is to take effect.

Procedural Steps

Step 1:

17. An employee having a grievance other than one involving disciplinary suspension or discharge, may first discuss it with the employee's immediate supervisor and try to work out a satisfactory solution in an informal manner. Resolution of any grievance at this step shall not impair the position of either the Union or the City in any subsequent dispute between the City and the Union which advances beyond this step.

Step 2:

18. Grievances not satisfactorily resolved at Step 1, shall be reduced to writing and served on the designated management official within fourteen (14) working days. In the event that the union and the designated management official are unable to resolve the dispute with fourteen (14) working days, either party may move the dispute to Step 3.

Step 3:

19. Grievances not satisfactorily resolved at Step 2 or a grievance involving a disciplinary suspension or discharge shall be moved to or filed with the Appointing Officer for resolution within fourteen (14) days. In the event that the dispute is not resolved at the Appointing Officer level within ten (10) working days either party may move the dispute to Step 4.

Step 4:

20. All Disciplinary suspension and/or discharge grievances not satisfactorily resolved at Step 3, and all contract interpretation grievances may be appealed to the Director of Employee Relations within fourteen (14) days of receipt of the Appointing Officer's decision or, in case of contract grievances not involving disciplinary suspension or discharge, filed directly with the Director of Human Resources. The Director, ERD, shall review the appeal and may issue a decision no later than twenty (20) working days following the receipt of the appeal. If the decision of the Director, ERD, is unsatisfactory only the Union may file a written appeal to arbitrate/or, as appropriate, submit the matter to Step 5.

Step 5: Selection of arbitrator

21. a. When a matter is appealed to arbitration, the parties shall first attempt to mutually agree on an arbitrator. In the event no agreement is reached within five (5) working days, the arbitrator shall be selected from a panel obtained through the State Mediation and Conciliation Services.
22. b. The parties shall make every effort to select a mutually agreeable arbitrator and schedule a hearing date within twenty (20) working days. In the event the

parties fail to agree, the arbitrator will be selected by alternate striking from the list supplied by the State Mediation and Conciliation Services.

- 23. c. The decision of the arbitrator shall be final and binding on all parties; however, the arbitrator shall have no authority to add to, subtract from, or modify the terms of this agreement.
- 24. d. The costs of the arbitrator and any court reporter and arbitration transcript, shall be split between the parties, costs of the parties transcripts and representation shall be borne by each party.

Time Limit

- 25. Time limits contained herein are procedural in nature and may be mutually waived by the parties. Failure of Management to respond within the preceding time lines at Step 2 or Step 3 shall allow the Union to advance the grievance to arbitration.

I.G. OFFICIAL REPRESENTATIVES AND STEWARDS

1. Official Representatives

- 26. The Union may select up to the number of employees as specified in the Employee Relations Ordinance for purposes of meeting and conferring with the City on matters within the scope representation. If a situation should arise where the Union believes that more than total of five (5) employee members should be present at such meetings, and the City disagrees, the Union shall take the matter up with the Employee Relations Director and the parties shall attempt to reach agreement as to how many employees shall be authorized to participate in said meetings.
- 27. a. The organization's duly authorized representative shall inform in writing the department head or officer under whom each selected employee member is employed that such employee has been selected.
- 28. b. No selected employee member shall leave the duty or work station, or assignment without specific approval of appropriate Employer representative.

Upon notification of an appropriate manager, stewards and/or other representatives of the Union shall have the right to enter the work site during work hours for the purpose of representing or interviewing employees in connection with the administration of the provisions of this agreement. Such visitation rights shall not unreasonably interfere with management's right to require efficient performance of work in progress.

Upon notification of and subject to the approval of an appropriate management person, stewards shall be granted reasonable release time to investigate and process grievances and appeals if requested by the affected employee(s). Stewards shall advise their supervisors/managers of the area or work location where they will be investigating and processing grievances. Administrative Code Section 16.90. Failure to comply with this section shall be grounds for termination. The Union, at its option, may elect to waive its right to demand termination and instead utilize judicial process to compel payment.

41. Effective with the first complete pay period worked by an employee newly employed and subject to this Agreement and each pay period thereafter, the Controller shall make membership fee or service fee and initiation deductions, as appropriate, from the regular payroll warrant of each such employee.
42. Nine (9) working days following payday, the Controller will promptly pay to the Union all sums withheld for membership or service fees. The Controller shall also provide with each payment a list of employees paying service fees. All such lists shall contain the employee's name, employee number, classification, department number and the amount deducted. A list of all employees in represented classes shall be provided to the Union monthly.
43. Nothing in this Section shall be deemed to have altered the City's current obligation to make insurance program or political action deductions when requested by the employee.
44. The Union shall be entitled to collect, through the payroll deduction method, membership dues, PAL deductions, and any special membership assessments, and through that system, may make changes as may be required, from time-to-time. In the event such notice is given, a representative of the Union, a representative of the City and the affected employee shall, within three (3) work days of such notice (excluding Saturdays, Sundays, and holidays), meet for the purpose of hearing the employee's position regarding non-payment thoroughly explaining the circumstances to the employee and to work out a solution to any existing problems, satisfactory to the Union. If the employee has not paid the required dues or fees (including general assessments) or initiation fee and the matter is not resolved to the satisfaction of the Union, the Union may request in writing that the employee's employment be terminated. An employee shall not receive a salary adjustment based upon service as herein provided if he/she has been absent by reason of suspension or on any type of leave without pay (excluding a military, educational, or industrial accident leave) for more than one-sixth of the required service in the anniversary year, provided that such employee shall receive a salary increment when the aggregate time worked since his/her previous increment equals or exceeds the service required for the increment, and such increment date shall be his/her new anniversary date; provided that time spent on approved military leave or in an appointive or promotive position shall be counted as actual service when calculating salary increment due dates.
197. (1) Paid service for this purpose is herein defined as exclusive of any type of overtime but shall include military or educational leave without pay.
198. (2) Advancement through the increment steps of the salary grades

shall accrue and become due and payable on the next day following completion of required service as a permanent appointee in the class; provided that the above procedure for advancement to the salary grade increment steps is modified as follows:

- 199. a) An employee who during that portion of his/her anniversary year prior to January 1 is absent without pay for a period less than one-sixth of the time required to earn the next increment will have such absence credited as if it were paid service for the purposes of calculating the date of the increment due during calendar year
- 200. b) An employee who during that portion of his/her anniversary year prior to January 1, is absent without pay for a period in excess of one-sixth of the time required to earn the next prior increment will be credited with actual paid service prior to January 1.

(3) An employee who (1) has completed probation in a permanent position, (2) is "Laid Off" from said position, (3) is immediately and continuously employed in another classification with the City either permanent or temporary, and (4) is thereafter employed in his/her permanent position without a break in service, shall, for the purposes of determining salary increments, receive credit for the time served while laid off from his/her permanent position.

III.M. SICK LEAVE WITH PAY LIMITATION

- 203. An employee who is absent because of disability leave and who is receiving disability indemnity payments may request that the amount of disability indemnity payment be supplemented with salary to be charged against the employee's sick leave with pay credits so as to equal the net amount the employee would have earned for a regular

work schedule. If the employee wishes to exercise this option, the employee must submit a signed statement to the employee's department no later than thirty (30) days following the employee's release from disability leave.

III.N. HEALTH AND WELFARE

1. Employee Health Coverage
204. The City shall continue to contribute the amount applicable per month directly into the City Health Services System for each employee who is a member of the Health Services System. The level of benefits is set pursuant to the City Charter and the Health Services System.
2. Dependent Health Care Coverage
205. The City shall contribute up to \$225 per month per employee to provide for dependent coverage for employees with one or more dependents. However, in the event that the cost of dependent care exceeds \$225 per month, the City will adjust its pick-up level up to 75% of the cost of Kaiser's dependent health care medical premium charged to the employee plus two or more dependents category.
3. Dental Coverage
206. Each employee covered by this agreement shall be eligible to participate in the City's dental program.
4. Single Employees
207. For "medically single" employees, i.e., benefited employees not receiving the contribution paid by the City for dependent health care benefits, the City shall contribute all of the premium for the employee's own health care benefit coverage.
208. The aforesaid payments shall not be considered as part of an employee's salary for the purpose of computing straight time earnings, compensation for overtime worked, premium pay, retirement benefits or retirement contributions; nor shall such contributions be taken into account on determining the level of any other benefit which is a function of or percentage of salary.
5. Contributions while on unpaid leave

209. As set forth in Administrative Code section 16.701(b), covered employees who are not in active service for more than twelve (12) weeks, shall be required to pay the Health Service System for the full premium cost of membership in the Health Service System, unless the employee shall be on sick leave, workers' compensation, mandatory administrative leave, approved personal leave following family care leave, disciplinary suspensions or on a layoff holdover list where the employee verifies they have no alternative coverage.

III.O. RETIREMENT PICK-UP

210. The City shall pick up the full amount of the employees' contribution to retirement.
211. The aforesaid contributions shall not be considered as part of an employee's compensation for the purpose of computing straight time earnings, compensation for overtime worked, premium pay, or retirement benefits, nor shall such contributions be taken into account in determining the level of any other benefit which is a function of or percentage of salary.

Retirement Seminar Release Time

212. Subject to development, availability and scheduling by SFERS and PERS, employees shall be allowed not more than one day during the life of this MOU to attend a pre-retirement planning seminar sponsored by SFERS or PERS.
213. Employees must provide at least two-weeks advance notice of their desire to attend a retirement planning seminar to the appropriate supervisor. An employee shall be released from work to attend the seminar unless staffing requirements or other Department exigencies require the employee's attendance at work on the day or days such seminar is scheduled. Release time shall not be unreasonably withheld.
214. All such seminars must be located within the Bay Area.
215. This section shall not be subject to the grievance procedure.

III.P. FAIR LABOR STANDARDS ACT

216. City agrees that it will, at a minimum, compensate in a manner and consistent with the Fair Labor Standards Act.

III.Q. PILOT WELLNESS INCENTIVE PROGRAM

217. The City hereby establishes a pilot "wellness incentive program" to promote workforce

attendance.

218. Effective July 1, 2002, any full-time employee leaving the employment of the City upon service or disability retirement may receive payment of a portion of accrued sick leave credits at the time of separation.
219. The amount of this payment shall be equal to two-and-one-half percent (2.5%) of accrued sick leave credits at the time of separation times the number of whole years of continuous employment times an employee's salary rate, exclusive of premiums or supplements, at the time of separation. Vested sick leave credits, as set forth under Civil Service Commission Rules, shall not be included in this computation.
220. Example of Calculation
- Employee A retires with 20 years of service.
Employee A has a sick leave balance of 500 hours.
Employee A has a base salary rate of \$25.00 per hour at the time of separation.
- Wellness Incentive = 2.5% for each year of service x 20 years of service = 50%
50% x 500 hours = 250 hours.
250 hours x \$25.00 (base salary at time of separation) = \$6,250.00
221. The number of hours for which an employee may receive cash payments shall not exceed one thousand forty (1040) hours, including any vested sick leave.
222. A wellness incentive bonus payment shall not be considered as part of an employee's compensation for the purpose of computing retirement benefits.

III.R. VOLUNTEER/PARENTAL RELEASE TIME

223. Represented employees shall be granted paid release time to attend parent teacher conferences of four (4) hours per fiscal year (for children in kindergarten or grades 1 to 12).
224. In addition, an employee who is a parent or who has child rearing responsibilities (including domestic partners but excluding paid child care workers) of one or more children in kindergarten or grades 1 to 12 shall be granted unpaid release time of up to forty (40) hours each fiscal year, not exceeding eight (8) hours in any calendar month of the fiscal year, to participate in the activities of the school of any child of the employee, providing the employee, prior to taking the time off, gives reasonable notice of the planned absence. The employee may use vacation, floating holiday

hours, or compensatory time off during the planned absence.

III.S LONG TERM DISABILITY

225. The City, at its own cost, shall provide to employees a Long Term Disability (LTD) benefit that provides, after one hundred and eight (180) day elimination period, sixty percent (60%) salary (subject to integration) up to age sixty-five (65). Employees who are receiving or who are eligible to receive LTD may be eligible to participate in the City's Catastrophic Illness Program to the extent allowed for in the ordinance governing such program.

A Performance Incentive Program is established for “service-critical” employees at the Municipal Transportation Agency (MTA) in each of the following Occupational Groups:

- Maintenance Group
- Operations Group
- Administration Group

Service Standards are developed for each Occupational Group, and Performance Goals are established for each Service Standard. Service-critical employees responsible for achievement of Performance Goals are identified for each goal.

SERVICE STANDARDS

The following Service Standards are established for each Occupational Group:

MAINTENANCE GROUP:

1. Percentage of vehicles that run on time according to published schedules.
2. Increase vehicle miles between road calls by mode.
3. Total number days of unscheduled absences.
4. Total number of lost days due to industrial injury/illness.

OPERATIONS GROUP:

1. Percentage of vehicles that run on time according to published schedules.
2. Percentage of scheduled hours delivered.
3. Total number of lost days due to industrial injury/illness
4. Total number days of unscheduled absences.

Progress toward achievement of these Performance Goals will be tracked and measured each fiscal year. A “Qualifying Fiscal Year” is defined as follows:

July 1, 2001 – June 30, 2002
July 1, 2002 – June 30, 2003

When Performance Goals are achieved, Incentive Bonuses will be paid to eligible employees in each Occupational Group at the end of a fiscal quarter during which goal(s) were achieved. A “Qualifying Fiscal Quarter” is defined as follows:

1. July 1, - September 30
2. October 1, - December 31
3. January 1, - March 31
4. April 1, - June 30

INCENTIVE BONUSES

Incentive Bonuses will be paid quarterly based on Occupational Group achievement of one or more of the Performance Goals established for each Service Standard. Separate bonuses will be paid based on achievement of overall Occupational Group Goals and/or Mode or Division Goals.

Incentive Bonuses will be paid to each eligible “service-critical” employee of an Occupational Group following a Qualifying Calendar Quarter during which a group goal(s) were achieved. Bonuses will be paid no later than sixty (60) calendar days following the end of a Qualifying Calendar Quarter during which group goals were achieved. Incentive Bonuses will be itemized and paid by check to each eligible group member, after deducting applicable federal and state taxes.

Incentive Bonuses shall not be considered as part of an employee’s compensation for the purpose of computing retirement benefits.

SENIOR MANAGEMENT AND SENIOR ADMINISTRATIVE CLASSIFICATIONS

MTA
ATTENDANCE INCENTIVE PROGRAM
(Non Transit Operator personnel)

March 16, 2001

The following Attendance Incentive Program is established for non Transit Operator, “service-critical” employees at the Municipal Transportation Agency (MTA).

This MTA Attendance Incentive Program is available to “service-critical” personnel in Groups A and B as indicated on Exhibits A and B, and is offered separate and apart from any Wellness or Sick Leave “cash out” program the City may offer. The benefits of this program are not vested, and are only available to employees while in active employment status at the MTA. MTA employees who take employment in other City departments lose the benefits of this program upon the effective date of such non MTA employment.

ANNUAL SICK LEAVE “CASH OUT”/TIME OFF OPTIONS

If at the end of a “Qualifying Calendar Period” a full-time “service-critical” employee has not used more than a total of forty (40) hours (part-time “service-critical” employees twenty (20) hours) of sick leave, with or without pay, and or Disability Leave, and in addition has not been absent from work due to either Absence Without Leave (AWOL), leave without pay, or disciplinary suspension, may convert sick leave hours to “cash” or “time off” based on their accrued sick leave balance as shown below.

FULL-TIME QUALIFYING BALANCE	GROUP A “CASH OUT”	GROUP B TIME OFF
240 hours or more sick leave balance	40 hours	3 days
PART-TIME QUALIFYING BALANCE	GROUP A “CASH OUT”	GROUP B TIME OFF
120 hours or more sick leave balance	20 hours	2 days

Attendance Incentive Bonuses shall be paid to each qualifying employee no later than one (1) calendar month following the end of the Qualifying Calendar Period.

Employees in the groups eligible for the “time off” option shall be allowed to take their days off within ten (10) calendar months following the end of the Qualifying Calendar Period. The days off may be taken in single day increments or all at one time, subject to department/section scheduling.

NOTE: All sick leave hours “cashed out” or “taken off” shall be deducted from an employee’s total sick leave balance, however sick leave hours “cashed out” or “taken off” shall not count towards the forty (40) hours of sick leave used during the “Qualifying Calendar Period” above.

QUALIFYING CALENDAR PERIOD

For purposes of this Attendance Incentive Program a “Qualifying Calendar Period” is defined as follows:

July 1, 2001 – June 30, 2002

July 1, 2002 – June 30, 2003

Sick leave hours “cashed out” shall be paid based on the employee’s “base hourly rate,” exclusive of any other premiums. The aforementioned incentive “cash out” premium shall not be considered as part of an employee’s compensation for the purpose of computing retirement benefits.
