**Correction to:** *npj Breast Cancer* 4, 26 (2018) <https://doi.org/10.1038/s41523-018-0074-6>; Article Published online 17 August 2018

In the original version of the published article, Constantine Godellas was mistakenly omitted from the Author list and Author Contributions statement. Constantine Godellas has been added as the 29th Author, and is affiliated with Loyola University Medical Center, Maywood, IL, United States. The author contributions statement has been updated as follows: Author Contributions Statement: Judy C. Boughey conducted the review of current protocols, led the effort to establish new I-SPY standards and was the principal author of the manuscript. Laura Esserman co-led the review and standardization processes. Michael D. Alvarado, Rachael B. Lancaster, Fraser Symmans, W. Rita Mukhtar, Jasmine Wong, Cheryl Ewing, David Potter, Todd Tuttle, Tina Hieken, Jodi Carter, James Jakub, Henry Kaplan, Claire Buchanan, Nora Jaskowiak, Husain Sattar, Jeffrey Mueller, Rita Nanda, Claudine Isaacs, Paula Pohlmann, Filipa Lynce, Eleni Tousimis, Jay Zeck, M. Catherine Lee, Julie Lang, Paulette Mhawech-Fauceglia, Roshni Rao, Bret Taback, Margaret Chen, Kevin Kalinsky, Hanina Hibshoosh, Brigid Killelea, Constantine Godellas, and Tara Sanft provided medical and scientific expertise/opinion towards the development of I-SPY standards. Jane Perlmutter provided the patient advocate's perspective in these discussions. All I-SPY2 trial investigators participated in the review of current standards, had the opportunity to participate in and comment on proposed standards and the final manuscript. Gill Hirst and Smita Asare provided expertise on, conducted and analyzed surveys of I-SPY trial sites. Jeffrey B. Matthews provided significant input and editing throughout the manuscript development process. All authors reviewed manuscript drafts and signed off on the final

manuscript. This has been corrected in the HTML and PDF version of the article.
