Correction to: *Nature Communications* ; <https://doi.org/10.1038/s41467-018-04399-y>, published online 13 June 2018.

The originally published version of this Article contained an error in Figure 2. In panel e, the blue bar was incorrectly labelled 'KRT8(+)/TOMATO(-)'. Furthermore, during the process of preparing a correction, the publication date of the Article was inadvertently changed to June 20<sup>th</sup> 2018. Both of these errors have been corrected in the PDF and HTML versions of the Article.
