ACKNOWLEDGEMENTS

It was with great pride and pleasure that Elio Pagliarani was welcomed into the Italian Department in the fall of 2003. I would like to take this opportunity to thank him for the generous gifts of his time and his poetry, without which this volume would not exist. I would also like to recognize the contributions of all of the scholars whose works are presented within this volume. Special thanks must be given to guest editor Alessio Filippi for his continued work throughout the publication process. I would also like to extend my most sincere gratitude to the faculty of the Italian Department here at the University of California, Los Angeles; most especially to Prof. Massimo Ciavolella for his tireless support of this endeavor and his contributions to this volume, and to Prof. Luigi Ballerini for his guidance, encouragement and wisdom. Lastly, I would like to thank Valerio Giovanelli and Francesca Falchi for their dedication to the fruition of this volume and to the future of *Carte italiane*.
