Whisper while playing:

"twinkle"

8^{va}

The first system of the musical score consists of two staves. The upper staff is mostly empty, with a few notes in the final measure. The lower staff contains a melodic line starting with a half note G4, followed by quarter notes A4, B4, and C5. A dynamic marking of *pp* is placed below the first measure. In the final measure, there is a triplet of notes: G4, A4, and B4, which are marked with an 8^{va} octave sign. The notes are beamed together and have a slur above them.

* Ped.

The second system of the musical score consists of two staves. The upper staff begins with a triplet of notes (G4, A4, B4) marked with an 8^{va} octave sign and the word "twinkle". This is followed by a whole rest. The lower staff continues the melodic line with a half note G4, quarter notes A4 and B4, and a half note C5. A dynamic marking of *pp* is placed below the first measure. In the third measure, there is a triplet of notes (G4, A4, B4) marked with the word "little". In the fourth measure, there is a triplet of notes (G4, A4, B4) marked with the word "star". The notes are beamed together and have a slur above them. At the end of the system, there is a whole rest in the lower staff, followed by a triplet of notes (G4, A4, B4) marked with an 8^{vb} octave sign. The notes are beamed together and have a slur above them. An asterisk (*) is placed at the end of the system.
