Thoughts and Feelings

By Mee Lee

Sometimes,
I want to be a cow,
eating in the vast green fields.

Sometimes,
I want to grow wings and be an eagle,
ruling the world from above.

Sometimes,
I want to play in the water and be with the fishes,
seeking adventure in Atlantis.

Sometimes,
I want to be one with the stars,
the light seen years from now.

Sometimes,
I want to know everything,
understanding why elephants can't jump.

Sometimes,
I want to spend time with my family,
reliving my treasured memories.

Sometimes,
I want to keep walking down,
reaching the core of the Earth.

Sometimes,
I want to run away,
far away into a black hole.

Sometimes,
I want my time to stop,
watching the sun rise and set.

Sometimes,

I want to be fully content with where and who I am.

“You can find me in my thoughts and feelings.”
